The free guitar cards are sent to sites by thousands of users all over the world. Damage this is somehow similar to the previous item, with the only difference that the homepage also shows the best cards evaluated by the community. It may not seem very much, but it provides you with an alternative source of free scores. On the negative side, there means that some of the free guitar cards are bad. One of the negative aspects of this site is that it does not have a printing function in the actual card.
